ORDER NO:

3570 / 25

SUBJECT: Determination on requirement for Appropriate Assessment for **Rossa Avenue, Allendale Avenue and Foxford Avenue Active Travel Scheme**

Order:

I have considered the document titled "**Rossa Avenue, Allendale Avenue and Foxford Avenue Active Travel Scheme Appropriate Assessment Screening Report**" for this project.

I have noted that the Appropriate Assessment Screening report contains a comprehensive analysis in accordance with the EU Habitats Directive (92/43/EEC) and Section 177 of the Planning and Development Act 2000 as amended.

I am satisfied that the proposed development is unlikely to have an effect on any Natura 2000 sites, including the Cork Harbour SPA (004030) and the Great Island Channel SAC (001058) and therefore deem that it is not necessary to undertake any further stage of the Appropriate Assessment Process.

Accordingly, the proposed development shall proceed subject to the provisions of Section 38 of the Road Traffic Act 1994, as amended.
