

To Cork City Council Planning Policy Unit.

I am writing to you to ask if you could consider my lands for the City Development Plan. These lands had been part of the Cork County Council Strategic Land Reserve Process, County Development Plan, but have now come under the jurisdiction of the Cork City Council due to the extension of the city boundary.

I confirm my intent to actively work with Cork City Council and State Agencies over

in the delivery⁽³⁾ of housing.

Incorporated in this development
We could include some leisure

facilities i.e. Bike exercise

All Weather Surface off Road

Running Jogging Surface off Road

Walking Park Area.

Possibly some pitches, golf

driving range. Pitch a Put

These are badly needed in this
area as when I was playing
rubby for Christians you could walk
from Lansdowne Road Pitch nr
Collins Barracks to Whites Cross
on either a stone or grass footpath
The army used to run on the road
and a lot of people used to run or
Jog and walk out from city but
gave up due to heavy traffic.

"PINEGROVE",
WHITE'S CROSS,
CO. CORK

This is the original road from
Cork to Dublin. It is the
shortest route from Watergrasshill
to the City Centre and especially
the north side of the city. Hence
it incorporates large volumes
of traffic due to it being
the quickest route to city.

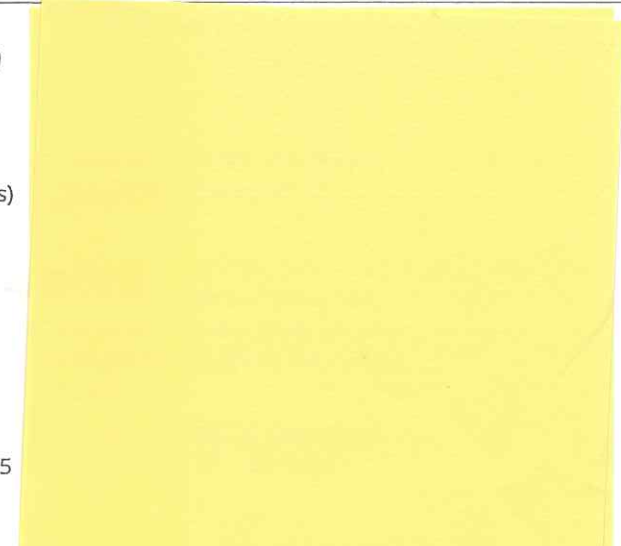

Yours Faithfully
Colman Hennessy
