

# PUBLIC NOTICE

## NOTICE UNDER SECTION 38 OF THE ROAD TRAFFIC ACT 1994 (AS AMENDED)

### Proposed Pedestrian Crossing Safety Schemes Batch 2b

Pursuant to the provisions of Section 38 of the Road Traffic Act 1994 (as amended) Cork City Council hereby gives notice of its intention to carry out pedestrian crossing improvement works at the following eight locations:

1. **R-851 South Douglas Road at Palaceanne Lawn** – A new traffic signal-controlled crossing would be constructed across the South Douglas Road with associated footpath paving works, linemarking and signage.
2. **R-851 South Douglas Road at Greenhills Estate** – The acquisition by agreement of private property to allow construction of a new footpath to improve connectivity at the southern side of the South Douglas Road by the entrance to Greenhills Estate.
3. **L-1015 Donovan's Road at Connaught Avenue** – Upgrade of existing informal pedestrian crossings to a standardised zebra crossing with belisha beacons on O'Donovan's Road and an uncontrolled crossing at Connaught Avenue with associated footpath paving works, linemarking and signage.
4. **L-2752 Kerry Road at Tower Playground** – Upgrade of an existing uncontrolled pedestrian crossing at a raised table to a standardised raised table zebra crossing with associated footpath paving works, linemarking and signage.
5. **L-1031 Middle Glanmire Road at Crann Darach** - Upgrade of an existing uncontrolled pedestrian crossing to a standard traffic signal-controlled crossing with associated footpath paving works, linemarking and signage.
6. **L-2211 Inniscarra Road at Westcourt** - Proposed works involve the installation of a type C zebra crossing on a raised table across the entrance to the old Gaelscoil and the installation of a pedestrian refuge island and a traffic signal controlled crossing across the Inniscarra Road with associated footpath paving works, linemarking and signage.
7. **L-2470 Maryborough Hill at Broadale** – The installation of a new traffic signal controlled toucan crossing across Maryborough Hill with associated footpath paving works, linemarking and signage to facilitate safe pedestrian access between residential areas, bus stops and commercial premises.
8. **L-2966 New Line at Coppervalley View, Glanmire** – The installation of a new raised table zebra crossing with associated footpath paving works, linemarking and signage to provide safe pedestrian access between nearby residential areas and bus stops.

Plans and particulars of the proposed works will be available for public inspection from **Friday 16<sup>th</sup> of October 2026** until **Friday 13<sup>th</sup> of November 2026**:

- electronically via Cork City Council's Online Consultation Portal at <https://consult.corkcity.ie>
- at the public reception desk of Cork City Council's offices at City Hall, Anglesea Street, Cork T12 T997, between the hours of 10:00am – 4:00pm, Monday to Friday excluding bank holidays.

Submissions and observations with respect to the proposed works may be made;

- electronically via Cork City Council's Online Consultation Portal at <https://consult.corkcity.ie>
- in writing to "Executive Engineer, Traffic Operations, Albert Quay House, Albert Quay, Cork, T12 E102"

The deadline for receipt of submissions and observations is **5:00 pm on Friday 13<sup>th</sup> of November 2026**.

All comments, including names and addresses of those making submissions and observations, submitted to Cork City Council in regard to this scheme, will form part of the statutorily required report to be presented at the monthly meeting of Cork City Council. Accordingly, they will be included in the minutes of that meeting and may appear in the public domain. Cork City Council will retain data for no longer than is necessary and in accordance with the Council's Retention Policy and relevant Data Protection legislation.
