

CHIEF EXECUTIVE ORDER
COMHAIRLE CATHRACH CHORCAI
CORK CITY COUNCIL

ORDER NO: 4249 / 26

**SUBJECT: Determination on requirement for Appropriate Assessment
Tower Pedestrian Scheme**

Order:

On the recommendations of Edith Roberts, Senior Engineer, Infrastructure Development and Gerry O'Beirne, Director of Service, Infrastructure Development, and having considered the document titled "**Appropriate Assessment Screening Report – Tower Pedestrian Scheme**" for this project I have noted that the Appropriate Assessment Screening report contains a comprehensive analysis in accordance with the EU Habitats Directive (92/43/EEC) and Section 177 of the Planning and Development Act 2000 as amended.

I am satisfied that the proposed development is unlikely to have significant effects on any Natura 2000 sites, including the Cork Harbour SPA (004030) and the Great Island Channel SAC (001058) and therefore deem that it is not necessary to undertake any further stage of the Appropriate Assessment Process.

Accordingly, the proposed development shall proceed in accordance with the provisions of section 179 of the Planning and Development Act 2000 as amended and Part 8 of the Planning and Development Regulations 2001 (as amended).
