

COMHAIRLE CATHRACH CHORCAI

CORK CITY COUNCIL
CHIEF EXECUTIVE'S ORDER

ORDER NO: 1534 | 22

SUBJECT: Determination on the requirement for Appropriate Assessment for the proposed Mahon Cycling Scheme in Cork City.

Whereas

On the recommendation of John Stapleton, Senior Engineer, Infrastructure Development, and Sheelagh Guilmartin, Acting Senior Executive Engineer, Infrastructure Development, I have considered the document titled "Mahon Cycling Scheme Appropriate Assessment Screening Report" for this project.

I have noted that the Appropriate Assessment Screening report contains a comprehensive analysis in accordance with the EU Habitats Directive (92/43/EEC and Section 177 of the Planning and development Act 2000 as amended.

I am satisfied that the proposed development is unlikely to have an effect on any Natura 2000 sites, including the Cork Harbour SPA (004030) and the Great Island Channel cSAC (001058), and therefore deem that it is not necessary to undertake any further stage of the Appropriate Assessment Process.

Accordingly, the proposed development shall proceed subject to the provisions of Section 38 of the Road Traffic Act 1994.
