CORK CITY COUNCIL

Order No. 1554 / 23

Subject:

Determination on the requirement for Appropriate Assessment for the South Mall /
Parnell Place Junction Pedestrian Safety Scheme

Order:

On the recommendations of Gerry O'Beirne, Director of Service, Infrastructure Development and John Stapleton, Senior Engineer, Infrastructure Development and having considered the document titled "AA Screening Report for South Mall / Parnell Place Junction Pedestrian Safety Scheme" for this project I have noted that the Appropriate Assessment Screening report contains a comprehensive analysis in accordance with the EU Habitats Directive (92/43/EEC and Section 177 of the Planning and Development Act 2000 as amended.

I am satisfied that the proposed development is unlikely to have an effect on any Natura 2000 sites, including the Cork Harbour SPA (004030) and the Great Island Channel cSAC (001058), and therefore deem that it is not necessary to undertake any further stage of the Appropriate Assessment Process.

Accordingly, the proposed development shall proceed subject to the provisions of Section 38 of the Road Traffic Act 1994.
