Draft Cork City Development Plan 2022-2028

Incorrect Zoning

Caibidil: Volume 2 - Mapped Objectives » Zoning
Maps

Ábhair: Zoning
Maps

It seems there is an error on the zoning maps when it comes to district centre. Throughout the relevant documentation, the district centres in the city are listed as Mahon, Douglas, Wilton, Blackpool and Ballyvolane. In the zone maps, all are marked as "ZO 08 District Centres", except for Douglas which has been mistakenly marked as "ZO 07 Urban Town Centre" (as seen on Maps 6 and 7)

Príomh-iarratais:

Correct the zoning of Douglas to match the other District Centres

Main reasons:

This does not match the documentation
