Draft Cork City Development Plan 2022-2028

Reuse derelict buildings

Caibidil: Volume 1 - Written Statement» 2. Core
Strategy

Ábhair: Compact
City

All derelict buildings should be brought back into use and vacant sites left for more than a strict period should be CPO'd and developed. There should be an ethos of Reuse and/or Repurpose empty buildings. Vacant site levies need to be enforced to fund rebuilding. Compulsory Sales Orders should be considered.
