Stádas: Submitted

Aighneacht: City Development Plan

Comhairliúchán:

Draft Cork City Development Plan 2022-2028

Maintain and Protect our Built Heritage

Caibidil: Volume 1 - Written Statement» 8. Heritage, Arts & Culture

Ábhair: Built Heritage

Do not allow our historic Quays to be destroyed by the OPW.

Improve grants for people to repair older houses, that they are living in.

Conserve what is left of historic buildings in Blackpool, along the Bride and the Glen Rivers. Cork was built on these historic commercial and industrial areas. Support the plan to regenerate Blackpool village and history museum.

Open up the Bride River to people as an amenity, don't allow it to be put in a pipe and deprive the people of Cork of another green and blue space. There is a tree-lined river bank in Blackpool that few people know about.

Eochairfhocail: historic quays, Built Heritage, regeneration
