Infrastructure

1) As part of the Cork City Plan can the 'Lee to Sea Greenway' be incorporated. This will benefit the city 1) attract tourists 2) serve commuters 3) serve as a safe space for people to exercise. With the success of the Waterford Greenway a similar investment into the 'Lee to Sea Greenway' will also be of huge benefit to Cork City.

2) As part of the Lehenaghmore Road improvement can the 'Tramore Valley Park to Kinsale Road to Viaduct Greenway' be incorporated. This will benefit the city and local areas 1) attract tourists and a gateway to west cork 2) serve commuters 3) serve as a safe space for people to exercise. This will benefit greatly the new Lehenaghmore housing development and its young population.
