Blarney is suffering from traffic congestion

Caibidil: Volume 1 - Written Statement» 6. Green and Blue Infrastructure, Open Space and ...

Ábhair: Active recreation and open space, Green and Blue Infrastructure

Blarney is a beautiful little village and is suffering from serious traffic congestion and it doesn't need any more developments, what Blarney' needs is a space for public enjoyment for both the youth and older communities

And the site in question would make a fantastic park with parking

The road network entering Blarney is not suitable and only last week a very serious accident occurred

Blarney is well served but 2 Centra stores and a very large SuperValu supermarket in Tower

All 3 store are very important and played a vital roll to the community during the pandemic
