Litir Chumhdaigh

I am a resident and landowner in the Laherdane area and would like to propose an alternative zoning from that currently outlined in the Development Plan proposal (see map attached with area outlined in red).

Tuairimí:

Whites Cross zoning change proposal

Caibidil: Volume 2 - Mapped Objectives» Zoning
Maps

Ábhair: Zoning
Maps

Hi there, as per the attached map, I would like to propose a change from the "Light Industry and Related uses" zoning for the area circled in red to "New Res neighbourhoods".

I am a current resident of Laherdane and own a 1 acre site within the area selected for this new zoning and strongly feel that the residents of Laherdane (current and future) would much better benefit from zoning for New Res neighbourhoods, and this would be consistent with the current zoning and planning for the immediate surrounding area of Laherdane.

Thank you for your time.

Sincerely yours

Willie-John Twomey
