## The Lee to Sea Greenway

**Caibidil:** Volume 1 - Written Statement» 4. Transport and  
Mobility

**Ábhair:** Cycle  
network

The Lee to Sea Greenway to be included as an Objective in the Core Strategy (Chapter 2)

The Lee to Sea Greenway should be added as a specific Objective in Chapter 4 (Transport), with a plan for route selection, funding and implementation to be carried out in the short term.

We would also like the route to be branded and marketed as a single route as it incorporates other fragments (like Passage West, for example).
