Objective 10.77

Blackpool Neighbourhood Centre Regeneration Plan

Blackpool Community Association would like to request a Collaborative Town Centre Health Check (CTCHC) in association with Heritage Council of Ireland. Blackpool Village has great heritage and culture throughout and extensive untapped potential.

We feel the area of Blackpool would benefit from the participatory approach taken by the CTCHC in drawing together the community groups, businesses, and local government, for town centre consultations and the land use survey, community consultation, business survey and the focus on heritage and culture throughout.
