Stádas: Submitted
Aighneacht: cork city development plan

Údar: Karl Grabe

Comhairliúchán:
Draft Cork City Development Plan 2022-2028

Dáta a cuireadh isteach: 02.10.2021 - 23:01

Litir Chumhdaigh

Individual Corkonian living in the city since the late '50s

Tuairimí:

LLFRS - tidal barrier

Caibidil: Appendices » Appendix 4 - Strategic Flood Risk
Assessment

Ábhair: Strategic Flood Risk
Assessment

Having been to several engineering presentations on and having spoken to a geologist I am concerned the proposed Lower Lee Flood Relief Scheme is unlikely to work.

A Tidal barrier in conjunction with existing dams and upriver planting of trees is a better and long term solution and needs to be implemented.
