## Litir Chumhdaigh

I represent the committee of Cork Boat Club. We would like to give suggested wording for section 6.3 "Access to Water Resources".

### Tuairimí:

#### Suggested Wording

**Caibidil:** Volume 1 - Written Statement» 6. Green and Blue Infrastructure, Open Space and

...

**Ábhair:** Active recreation and open  
space

Current wording of section 6.3:

Access to Water Resources

Cork City Council will seek to work with stake holders in facilitating safe, improved accessibility to the water environment including the River Lee and Cork Harbour and encouraging uses which optimise the amenity, tourism, recreation and leisure opportunities associated with this blue infrastructure without adversely impacting on the day-to-day economic functions of these assets.

Cork Boat Club suggested wording for section 6.3:

Access to Water Resources

Cork City Council will seek to work with stake holders in facilitating safe, improved accessibility to the water environment including the River Lee and Cork Harbour and encouraging uses which optimise the amenity, tourism, recreation and leisure opportunities associated with this blue infrastructure without adversely impacting on the day-to-day economic **and current recreational usage/ boat circulation pattern** functions of these assets.

Also see attached circulation pattern as agreed by all Cork rowing clubs with the Port of Cork.
