Promotion of the Circular Economy and Effective Waste Management

**Údar:**

Southern Region Waste Management Plan Office (SRWMPO)

**Comhairliúchán:**

Draft Cork City Development Plan 2022-2028

---

## Recommendation to include reference to 'Waste Management Infrastructure - Guidance for Siting Waste Management Facilities'

**Caibidil:** Volume 1 - Written Statement» 9. Environmental Infrastructure

**Ábhair:** Waste Management

The upcoming *National Waste Management Plan for a Circular Economy* (NWMPCE), which is likely to be made in early 2022, will replace the *Southern Region Waste Management Plan 2015-2021* and the regional waste management plans for the other two regions. The NWMPCE will include the new guidance document *Waste Management Infrastructure – Guidance for Siting Waste Management Facilities*, the scope of which includes broad siting criteria and facility specific guidance for consideration when siting a waste facility. We recommend that reference to this new guidance document be made within *Chapter 9 Environmental Infrastructure*, in particular within the section relating to Waste Management.

**Eochairfhocail:** Guidance for Siting Waste Management Facilities,

Waste Management

### *Main opinion:*

It is recommended to refer to 'Waste Management Infrastructure – Guidance for Siting Waste Management Facilities'

---

### *Main requests:*

Inclusion of reference to 'Waste Management Infrastructure – Guidance for Siting Waste Management Facilities'

---

### *Main reasons:*

This new siting guidance is of direct relevance
