Caibidil: Volume 1 - Written Statement» 10. Key Growth Areas & Neighbourhood Development

...

Ábhair: Glanmire

I have heard today that there is the possibility of rezoning of lands adjoining Crestfield Downs in Hazelwood Glanmire. The infrastructure in the area can't handle the existing housing in the locality. Further houses will make the traffic in the area intolerable, the traffic delays as is are dreadful.

The stone wall at the end of crestfield downs has nesting birds and the ditch adjoining has hedgehogs.

We would object to any development of this nature until the infrastructure is in place to handle it.

Regards

john
