Provision of public street bins for general waste and dog waste.

Caibidil: Volume 1 - Written Statement» 9. Environmental
Infrastructure

Ábhair: Waste Management

There are currently very few public street bins in the Farranree area posing obvious litter/dumping, public health and safety problems.

There is also no provision of dog waste bins posing the same problems for dog walkers/owners and the community as a whole.

It is the Youth Forum's hope and ambition to rectify this downfall in public safety.
