In favour of Amendment 1.12 and 1.48, plus additional, similar further amendments.

Caibidil: Volume 1 - Written Statement» 4. Transport and
Mobility

Ábhair: Transport and Mobility

I am in favour and support of amendments 1.12 and 1.48 which specifically call out the *Lee to Sea Greenway*. Thank you.

Further to those amendments, I would ask that the Lee to Sea Greenway is specifically called out in the mapped objectives.

I would also ask that the Lee to Sea be called out specifically as an objective in Chapter 4 as part of Objective 4.4 if not a short term objective on its own.

Thank you

Trevor Mahoney
