Ábhair: Supporting economic growth and
diversity

A Chara,

Thank you for your recent consultation for the Proposed Material Amendments-Draft Cork City Development Plan 2022-2028. On behalf of Fáilte Ireland please see below amendment to text in respect of the

Proposed Material Amendments.

Chapter 7 Economy and Employment - Ref: 7.16 – Page No. 219

Amend text in paragraph 7.16 as follows:

Fáilte Ireland**,** in partnership with Cork City Council, is currently leading the preparation of a **(Omit Tourism)** Destination Experience Development Plan for Cork City and East Cork. It is envisaged that this plan will seek to broaden the appeal of Cork to tourists by enhancing the tourism product and strengthening the existing assets of the city. The plan will also build on the lessons of COVID 19 by, for example, enhancing the attractiveness of outdoor dining and other activities in the City and develop sustainable tourism products and services, building on the strength of the maritime heritage of the City. It is also envisaged that
the plan will support the expansion of the night-time economy, particularly for families, by expanding the cultural offering of the city.

Regards,

Yvonne
