### Greenbelt should be protected

**Caibidil:** Volume 1 - Written Statement» 6. Green and Blue Infrastructure, Open Space and ...

**Ábhair:** Biodiversity

Dear Madame/ Sir

I am against this planning permission.

There is such a diverse wildlife here from buzzards, owls, herrons, foxes and many more here around us. We should treasure it deeply, rather than destroy it all. This supposed to be a Emerald Island... But we are losing all the green for houses.

I do agree with my neighbours.

And of course traffic will be disaster, already now is it very dangerous if you walk with your child or cycle. I do understand of the need for housing, but the Greenbelt should stay green

There for I am strongly against this planning permission.

Sincerely Gary Lynch
