Proposed Amendment to Draft City Development Plan 2022-2028

To whom it concerns:

I object in the strongest of terms to amendments 1.241 & 1.247 of the
City Development Plan.

As a resident of Ballintemple, and a regular user of the Marina Park, Marina walk
and all surrounding areas, the very idea of a traffic choked arterial road dissecting
this area is abhorrent. The noise pollution and air pollution alone would make this
precious amenity unusable, not to mention the increased traffic & congestion it would
lead to. This would also greatly increase the dangers to those wanting to walking &
cycle in the area.

I hope my concerns will be listened to & taken into account and these amendments
are rejected.

Is mise le meas,

Andrew Murphy
