Objection to any building of new roads over the river leading to docklands/over Marina Park

Caibidil: Volume 1 - Written Statement» 6. Green and Blue Infrastructure, Open Space and

Hello,

I wish to make the below submission to the City Development Plan:

I wholly object to any building of new roads over the river leading to docklands/over Marina Park.

The associated pollution, both air pollution and noise pollution as well as creation of excess traffic in what is a green / eco area of the city is not something that the area needs.

I object to Amendments 1.241 & 1.247 as a result.

The roadway should not be built. It will destroy the area which is much loved as a relaxing peaceful place away from all the noise and fumes of traffic.

Regards

Angela O Donovan
