

CHIEF EXECUTIVE ORDER

COMHAIRLE CATHRACH CHORCAI

CORK CITY COUNCIL

ORDER NO:

2376/25

SUBJECT: Determination on requirement for Environmental Impact Assessment for Lotamore Terminal

Order:

Having considered the document titled "**Lotamore Terminal Environmental Impact Assessment Screening Report**" I am satisfied that that no thresholds are exceeded as part of the Proposed Development and there is no requirement under the Directive 2014/52/EU for the Proposed Development to be subject to an Environmental Impact Assessment.

I have noted that the Environmental Impact Assessment Screening report contains a comprehensive analysis of the proposed development having regards to the criteria contained in Schedule 7 and 7A of the Planning and Development Regulations 2001 (as amended), the Department of Housing, Local Government and Heritage document "Guidelines for Planning Authorities and An Bord Pleanála on carrying out Environmental Impact Assessment" the Planning and Development Act 2000 (as Amended), and the European Union Planning and Development (Environmental Impact Assessment) Regulations 2018.

Therefore, having considered said reports and having regard to the criteria set out in the afore mentioned legislation, I am satisfied that the proposed development is unlikely to have a significant effect on the environment, including the Cork Harbour SPA (004030), the Great Island Channel SAC (001058), and the Glanmire Wood pNHA (001054), and therefore determine that an Environmental Impact Assessment would not be necessary or required.

Accordingly, the proposed development shall proceed subject to the provisions of the Roads Traffic Act 1994, as amended.
