Project: Shadow Study for Proposed Domestic Violence Refuge and Social Housing at Turners Cross, Cork

18th of April, 2025.

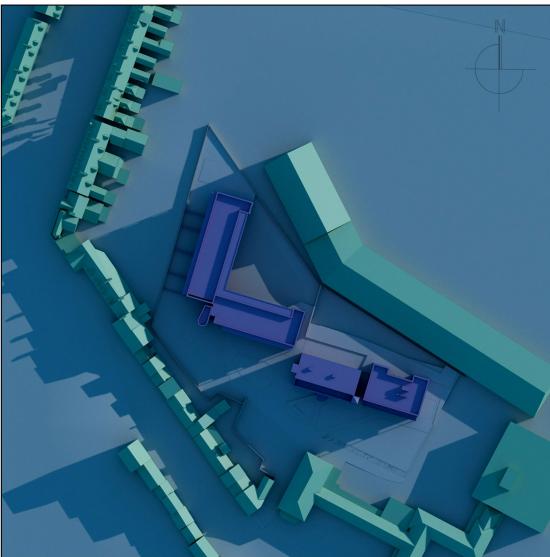

To whom it may concern,

The Shadow Study of the proposed development was prepared by Pedersen Focus Ltd.

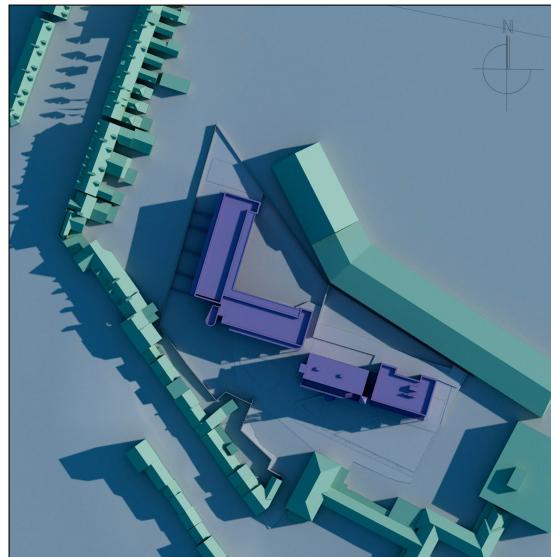

The Shadow Study is intended for analysis of the shadows generated by the proposed Development. All buildings are modelled in block model detail as is typical when preparing Shadow Studies.

The sequence of images for June and September shadow study allow for Summer time (or Daylight Saving Time). The June 21st and December 21st sets represent the summer and winter solstice, respectively, while the September 21 set represents the autumn and spring (approx 21st of March) equinox.
