CORK CITY COUNCIL

Part 8 –Planning Notice

Wilton Corridor Project: Phase 1 Dennehy's Cross to Wilton Gardens
(From the junction of Wilton Road/Model Farm Road/Magazine Road Junction to Wilton Gardens/Wilton Road Junction) located in the southwest of Cork City.

Cork City Council plan to widen and enhance a section of Wilton Road between and including the Dennehy's Cross Junction (Wilton Road/Model Farm Road/Magazine Road) and the Wilton Gardens Junction (Wilton Road/Wilton Gardens)

The objective of the project is to deliver enhanced, safe and appropriate transportation infrastructure aimed at providing sufficient capacity to meet current and future travel demand in the area with particular focus on facilities for sustainable modes of transportation.

The project is the first in a series of projects aimed at improving the transport network between Wilton and Cork City Centre

To achieve these aims it will be necessary to make the following modifications to the road layout:-

- Dennehy's Cross will be realigned, renewed, widened and additional cycle lanes and bus lane will be introduced. To achieve these aims it will be necessary to acquire additional land.
- All bus stops within the extent of the works area will be upgraded and real time passenger information displays installed
- New Footpaths will be provided and existing footpaths will be realigned repaved and widened
- Carriageways will repaved and relined.
- The junction of Wilton Gardens/Wilton Road will be upgraded to a signalised junction with pedestrian crossings provided.
- Right turning of vehicles from Wilton Road onto Magazine Road will be prohibited.
- Public Lighting will be upgraded
- Traffic signals will be renewed
- Hard & Soft landscaping will be provided
- Utility Services such as water mains, drains, ducting etc will be renewed

Particulars of the proposals will be available for inspection at:- **Reception Desk, City Hall, Anglesea St, Cork from 15th March until 30th April 2019, between the hours of 9:00am and 4.00pm, Monday to Friday.**
