Calderwood Road Pedestrian Improvement Works Notice Under Section 38 of the Road Traffic Act 1994

Pursuant to the provisions of Section 38 of the Road Traffic Act 1994, Cork City Council hereby gives notice of its intention to carry out the following traffic management measures in the interest of the safety and convenience of road users.

Calderwood Road Pedestrian Improvement Works

It is proposed to provide a new footway to the eastern side of Calderwood Road extending south from the existing end point of the Ballybrack Valley Path and connecting with the existing pathway adjacent to Cherrygarth.

The main elements of the proposed works are:

- The construction of approximately 200m of new footway to the eastern side of Calderwood Road.
- The construction of a raised pedestrian crossing at the existing end point of the Ballybrack Valley Path.
- The construction of a raised pedestrian crossing at the junction on Calderwood Road.
- New road marking and signage.
- Other necessary associated works.

In accordance with the Habitats Directive, an Appropriate Assessment (AA) Screening has been carried out for the project, in relation to any potential impacts upon the Cork Harbour Special Protection Area [Site No. 004030] and the Great Island Channel Special Area of Conservation [Site No. 001058]. The findings of the AA screening concluded that no significant effects on any Natura 2000 sites is likely and it was not necessary to undertake any further stage of the Appropriate Assessment process.

In addition, the proposed project has been screened to determine whether an Environmental Impact Assessment (EIA) is required and it has been concluded that the proposed development would not be likely to have significant effect on the environment and that the preparation and submission of an environmental impact report is not therefore required.

Details of the proposed works including an Appropriate Assessment screening report and Environmental Impact Assessment screening report are available for inspection online at <https://consult.corkcity.ie> and at **Reception Desk, Cork City Council, City Hall, Anglesea Street, Cork** on working days from 3rd March to Friday 21st April 2023 between 10.00 a.m. and 4.00 p.m.

Any observations in relation to this proposal should be made electronically through <https://consult.corkcity.ie/en/> or forwarded in an envelope marked "**Calderwood Road Pedestrian Improvement Works**" to Senior Engineer, Infrastructure Development, City Hall, Anglesea Street, Cork. Final date for submissions is 5.00 p.m. on 5th May 2023.

All comments, including names and addresses of those making submissions and observations, submitted to Cork City Council regarding this proposal, will form part of the statutorily required report to be presented at the monthly meeting of Cork City Council. Accordingly, they will be included in the minutes of that meeting and may appear in the public domain. Cork City Council will retain data for no longer than is necessary and in accordance with the Council's Retention Policy and relevant Data Protection legislation.

Dated Friday 3rd March 2023

**ANN DOHERTY
CHIEF EXECUTIVE
CORK CITY COUNCIL**
